Services & Expertise

Pitchdeck & Company Profile

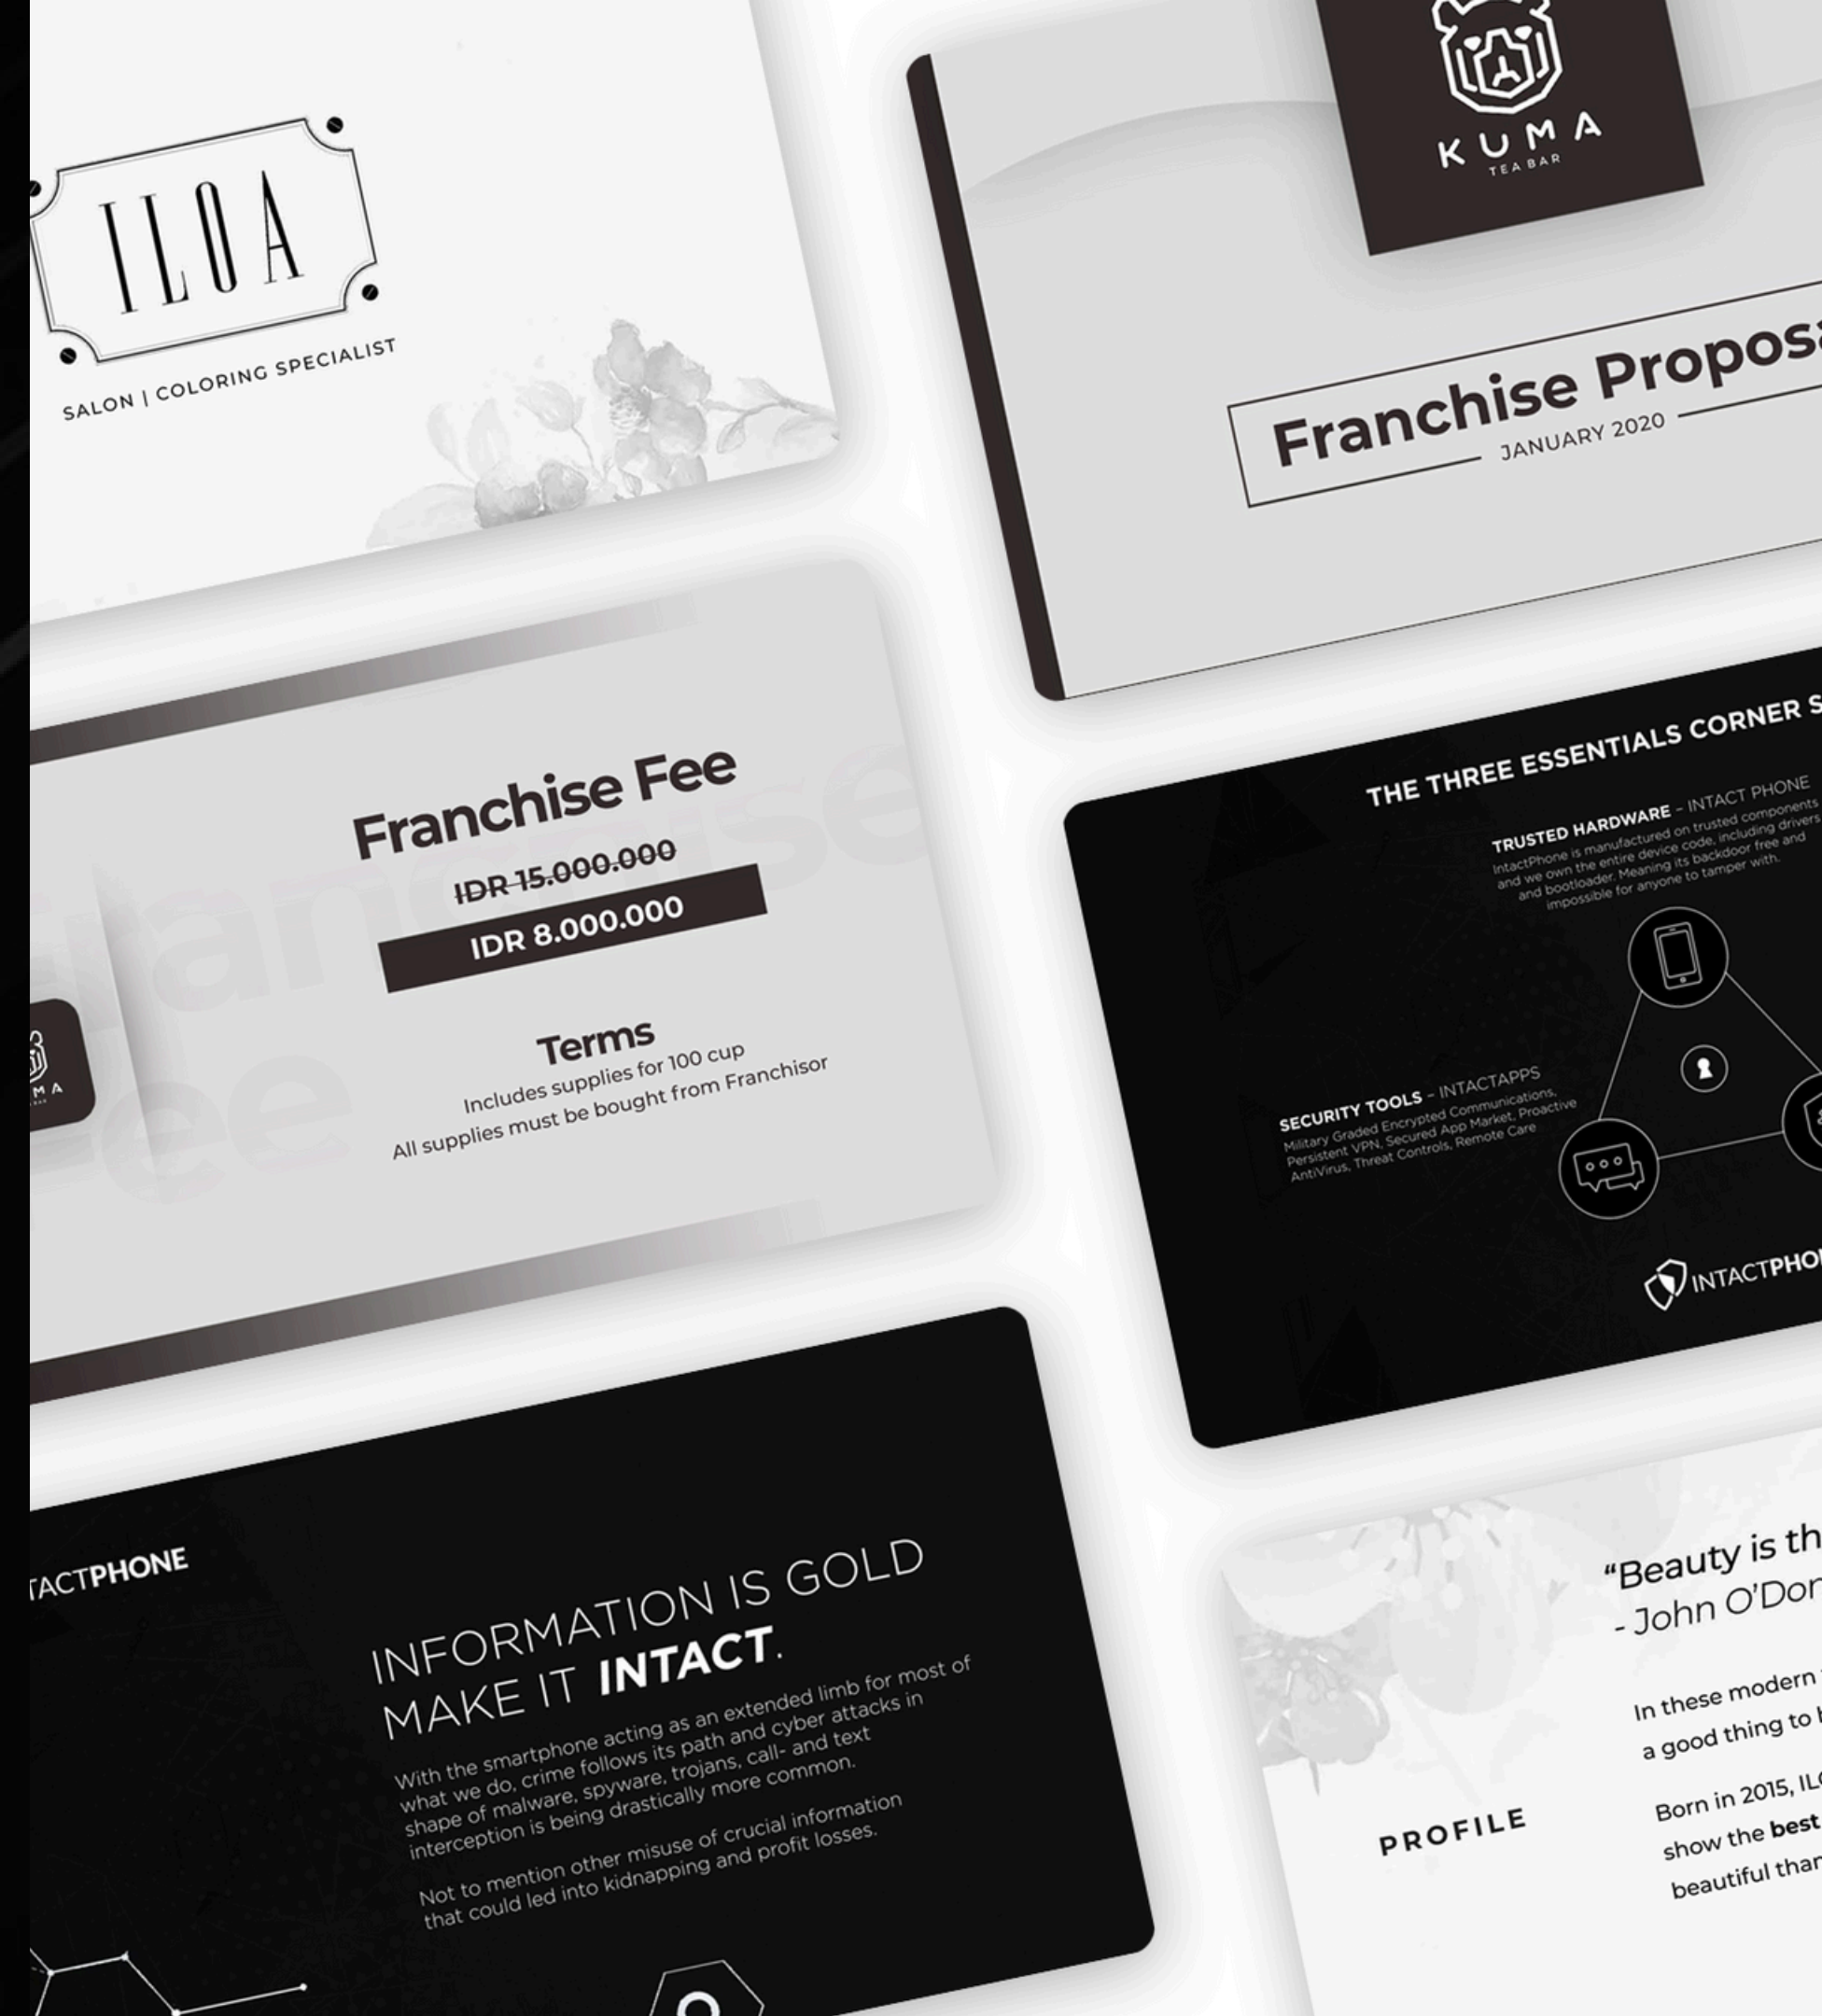

PDF, Print, & Video

Our business experience separate us from the others.

In addition to delivering stunning design, we also know the right words & strategy to achieve the goal of the project.

@logue.design

Services & Expertise

Web Design & Development

Company Profile, E-Commerce, & Web Apps.

A designer by passion, A programmer by education.

By combining 2 crucial elements in developing website,
we can help designing a website that is visually wonderful,
and programmed to solve problems.

Case Study

AIMI Official Beauty Care Products

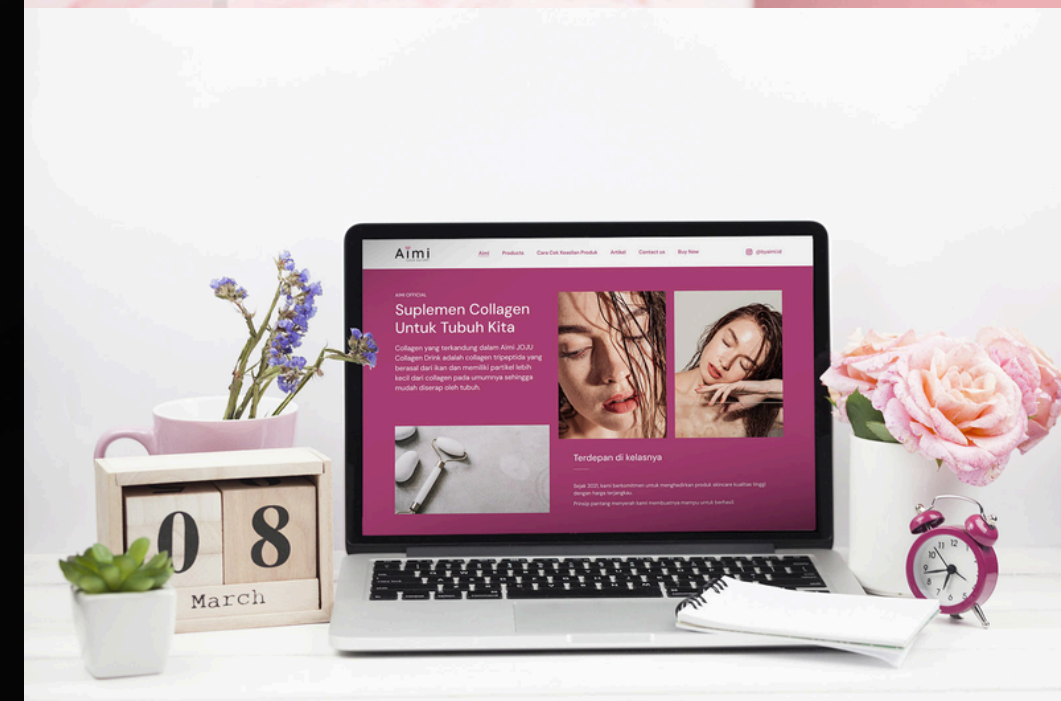

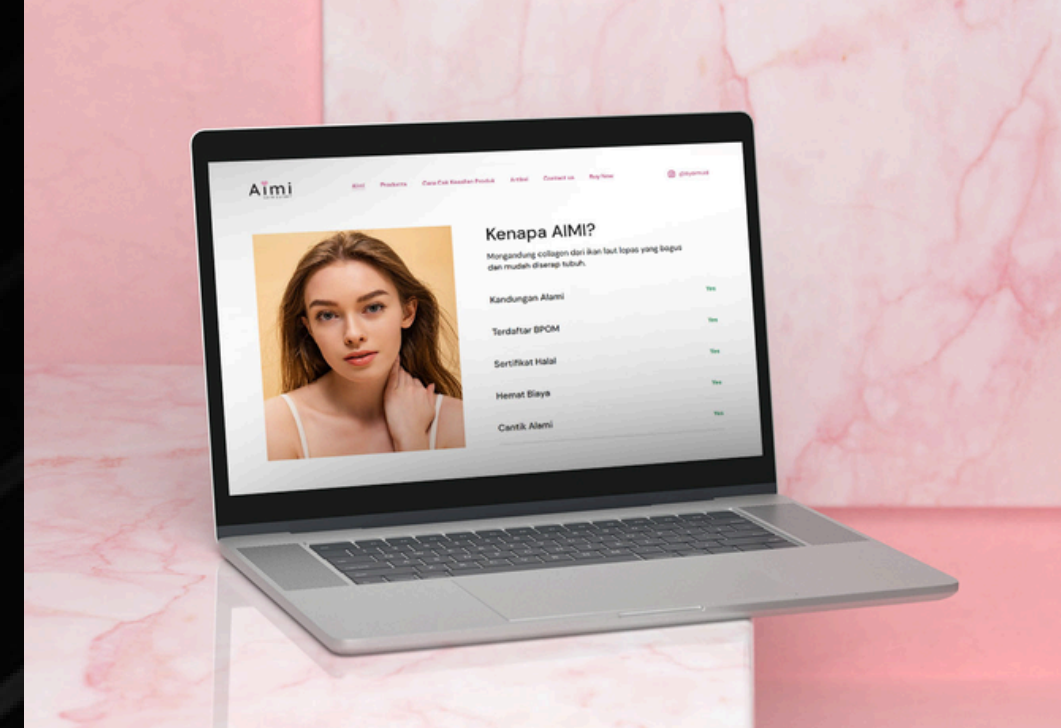

Project

- Company Profile
- Product Authenticity Checker

Along with designing AIMI's company profile website, we also developed a system for their customer to check the authenticity of their product, with customized barcode on each packaging they can scan to verify it's originality.

Case Study

Weddingfilter.id

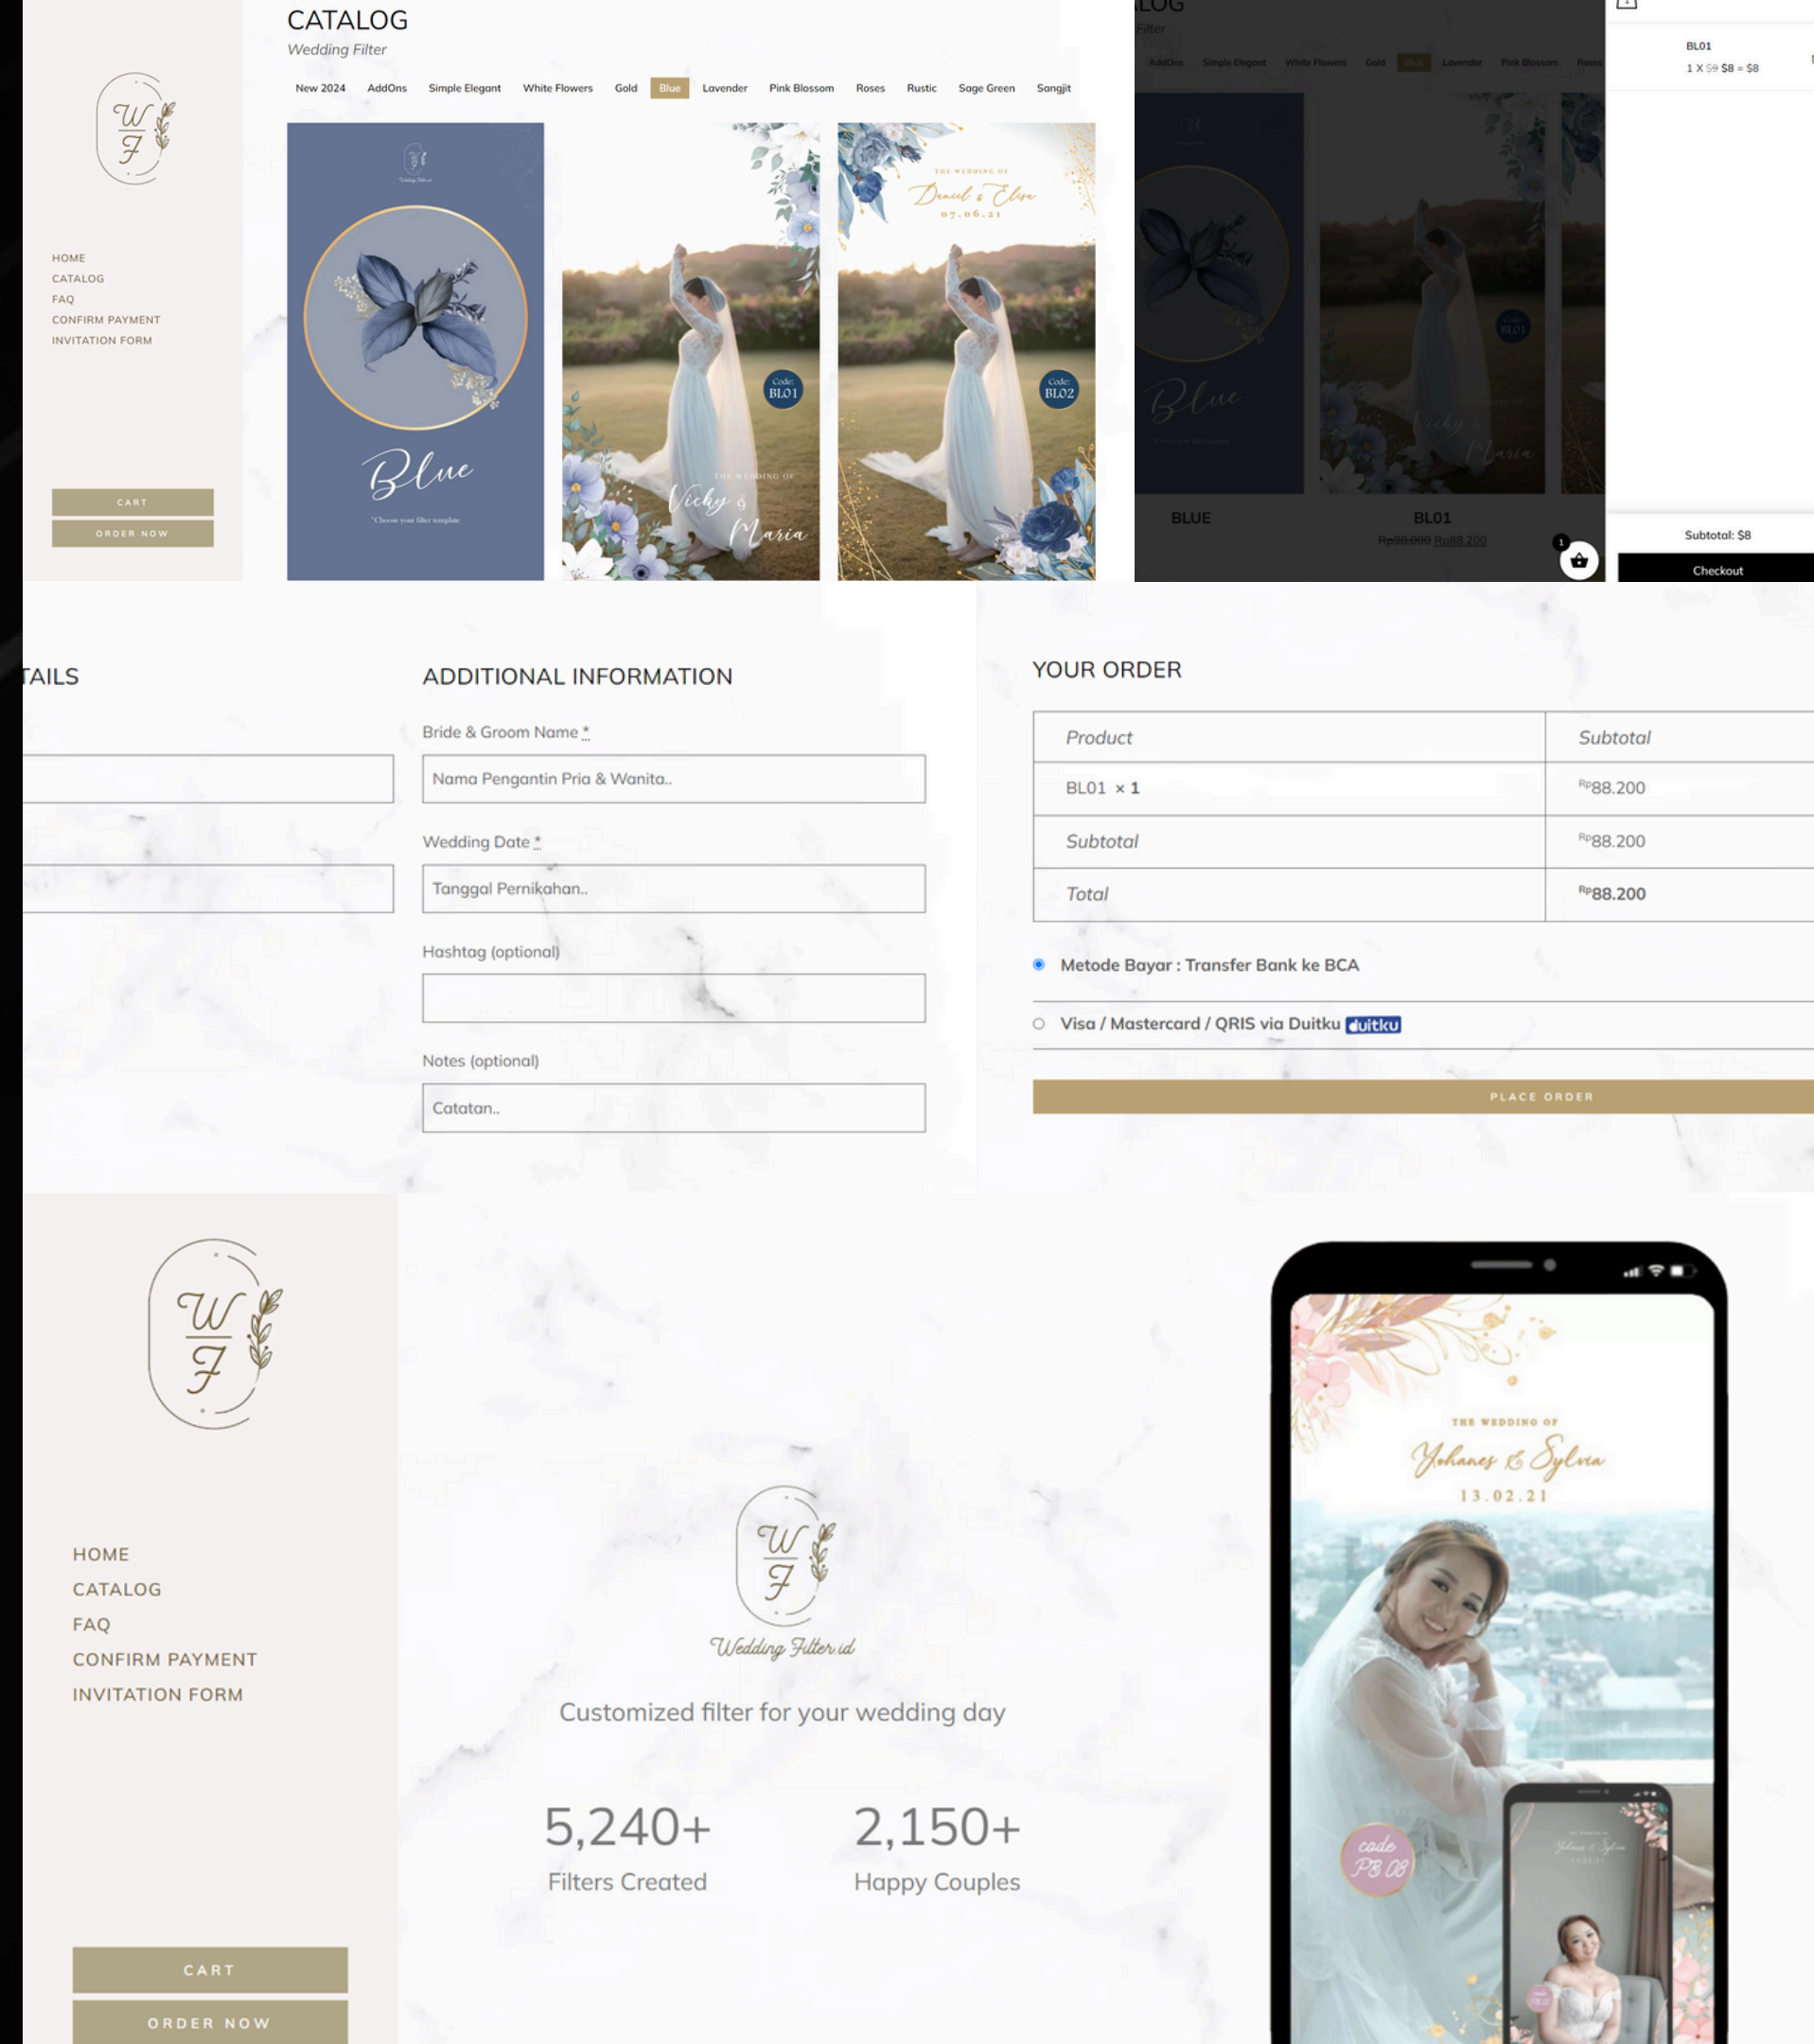

Project

- Company Profile
- Online Order System

As an online service provider, Weddingfilter.id need a website with ease to use, bearing in mind ordering services online is not common for most people. We developed a full-service online order system, with design picker & payment integration.

@logue.design

Case Study

Audrey & Friends

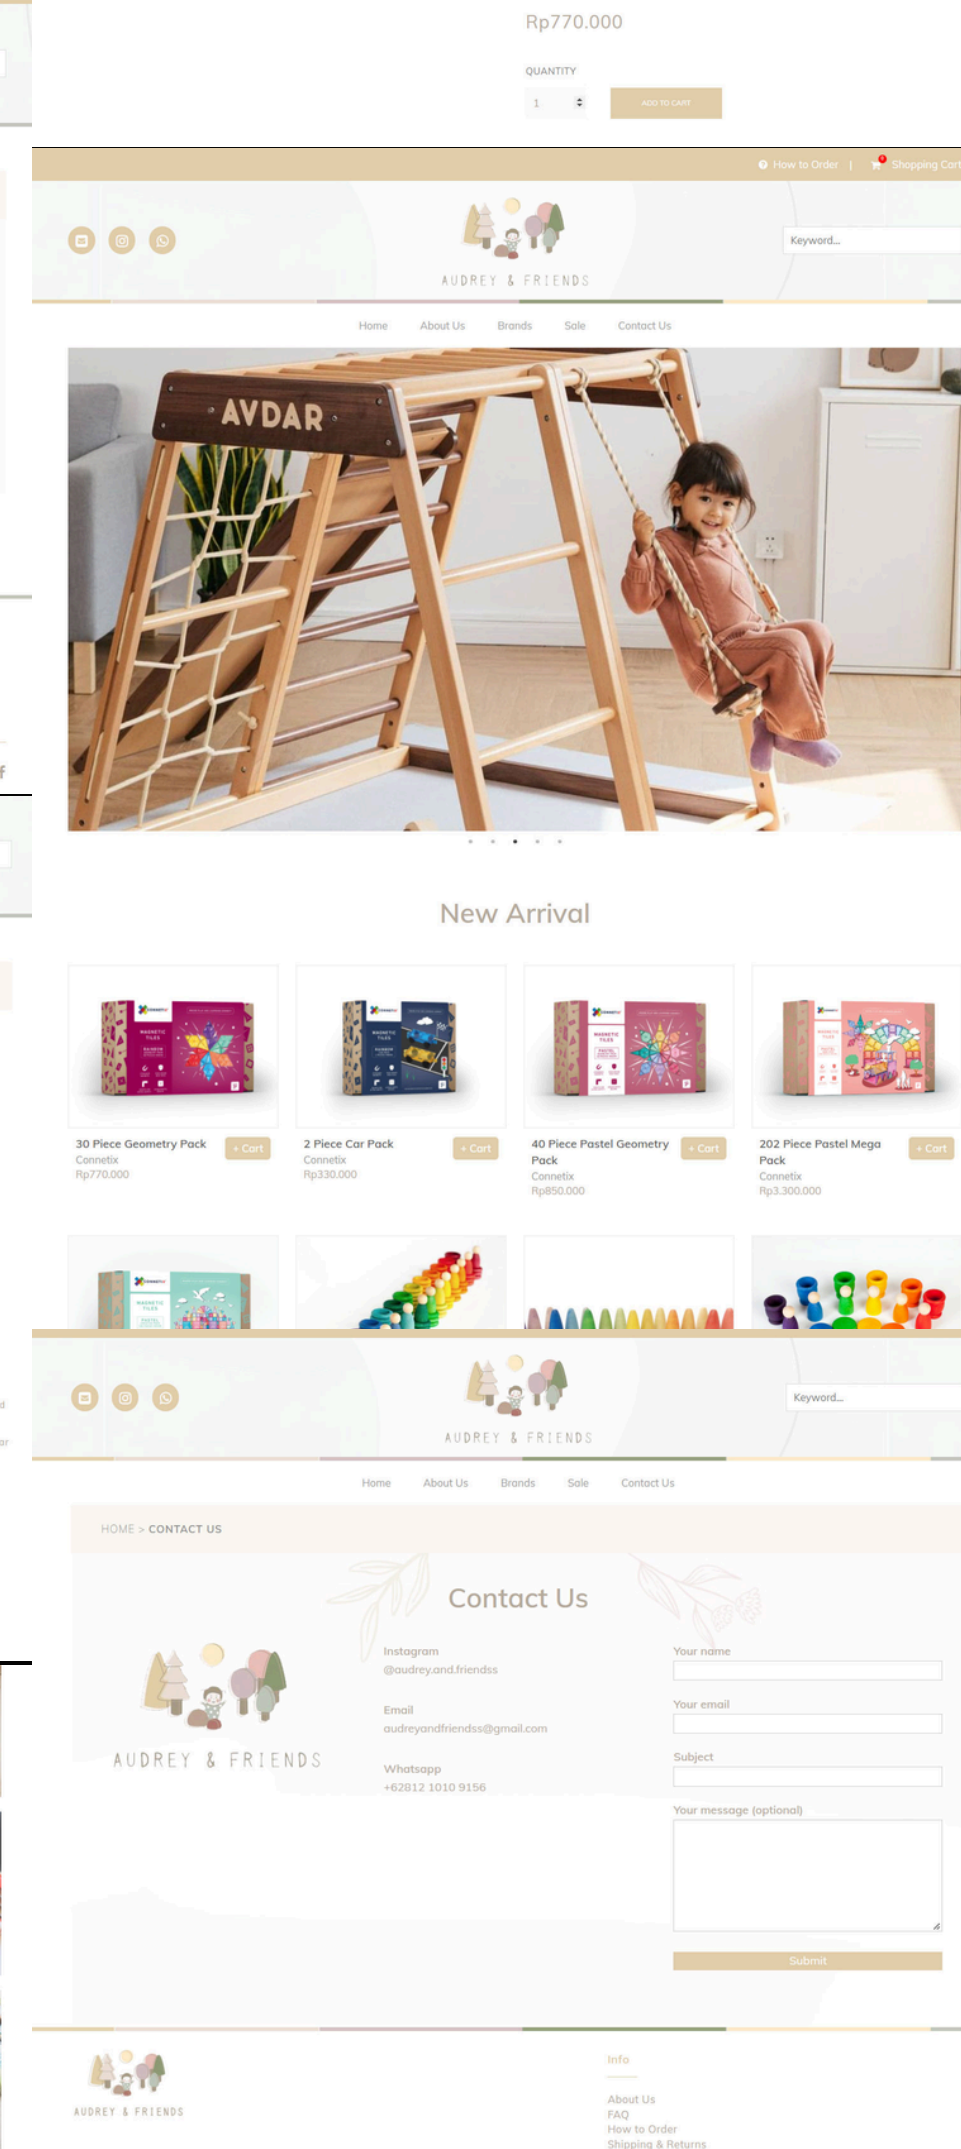

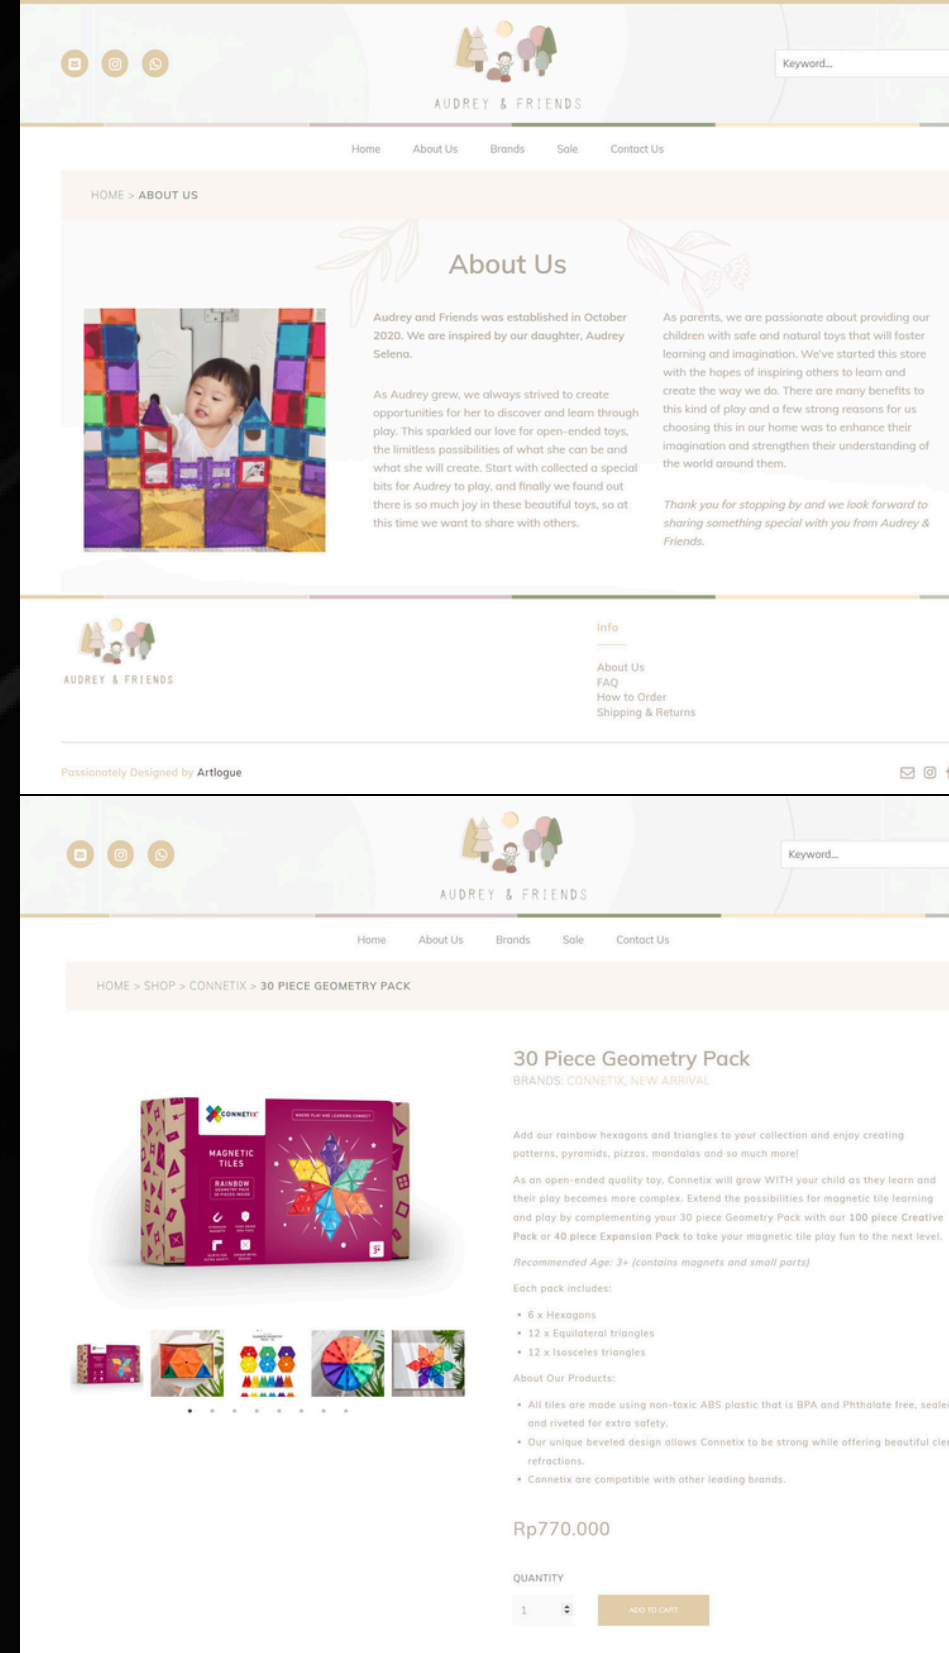

Project

- E-Commerce
- Store Profile

The development of Audrey & Friends' official store was fun, exciting, and challenging at the same time. The crowded market of toys-commerce is why the client need a website that stand out. As we advised, the pastel colors did the trick & easy to navigate UI very much be the cherry on top.

@logue.design

Happy Clients

In the recent years, we've also worked with these amazing brands, among many others.

SUZUKI

Web design for Suzuki Suppliers Club

AVODA KARYA ABADI

Web design for furniture manufacturer.

COFFEELOGUE

Branding & Pitchdeck for local cafe.

RATA.ID

Instagram filter for leading teeth retainer.

With **12+ years of IT & business experience**, we are ready to help you to bring creative solutions for your business problems.
